DATASHEET NILL3

Side Bend Linear LED luminaire

NILE

NILL3

Description

NILL3 is a side-bend linear LED luminaire designed to create continuous curved lighting forms with seamless, glare-free illumination.

Ideal For

- Conference tables and boardroom feature lighting
- Reception areas and statement ceilings
- Commercial offices and creative workspaces
- Hospitality and premium interior environments
- Large feature ceilings with custom shapes
- Architectural lighting compositions and design-focused spaces

Key Feature

- **Continuous light line**
with uniform, glare-free diffusion
- **Side-bending structure**
enabling smooth curved and organic lighting layouts
- **Ideal for**
custom shapes including loops, rectangles, and freeform designs
- **Extruded aluminum**
profile with customizable dimensions and finishes
